

This Bag Could Save Your Life!

Hey there Warrior!

For me, the true "Protector" is someone who is prepared for anything life may throw at him or her, whether it's a mugger on the street... civil unrest... or a natural disaster that forces you and those you love from your home to seek safety.

To truly be prepared, it takes the right **mindset**... the right **skills**... and the right **equipment** - and for me, your "bug-out bag" is one of the most critical pieces of gear you could ever own!

That's why I'm so proud to be able to get our **X-BOB "5-Phase Evac System"** into your hands to take care of that critical survival gear need of yours. **I personally designed this bag for the specific needs of a forced evacuation** and I know you're going to love all the features and bonuses we built into this package.

One of the **bonuses** that I set up for you and your new X-BOB is a jumpstart to getting your food needs taken care of. We recently teamed up with one of the **top "survival food" companies in the U.S.** and put together a special deal where you can get a 72-hour meal kit for each bag you ordered (up to 5) that includes *Maple Grove Oatmeal, Creamy Chicken & Rice, Homestyle Potato Soup, and Mac & Cheese*. This is THE best survival food on the market and a full 2,000 calories per day with a 25-year shelf life so you can just pack it away in your new XBOB and "*fuhgeddaboutit!*" ☺

I already bought the food for you and I'm going to give it to you at the lowest price I'm allowed – **just \$14.95 for a full 3-day stockpile - and I'm even going to throw in free shipping for you!** All you have to do to take advantage of this deal is call our Warrior Support team at **(855) 462-7624** and let them know that you're one of "*Jeff's X-BOB clients*". They'll confirm that you're "one of us" and hook you up with getting your 72-hour Survival Meal Kit(s) sent right out to you.

Well, enjoy your new "X-BOB" – and please be sure to check your email inbox for additional bonus training I've prepared for you over at www.WarriorLife.com!

Prepare. Train. Survive.

Jeff Anderson
